

OPD CONSULT

There are 4 sections :

- 1) *OPD Consult*
- 2) *Consult View/Update*
- 3) *OPD Consult Reports*
- 4) *Admin Section*

1) OPD Consult : When patient got his/her OPD slip then patient will go to doctor. Here doctor will enter patient registration into the box then, new page will open for patient's vitals.

- If patient become old patient then first he/she have to make his/her OPD slip then in ***“OLD Patient”*** section first attender will have to make ***“Start Visit”*** for the patient on that day. After that doctor can open patient's consult page.
- Here Doctor can see patient's ***Vitals***, then doctor will have to fill patient's ***History&Clinical***.
- From here doctor can ***Refer*** patient to another hospitals with by filling reason of refer.
- From here doctor can fill patient's ***Diagnosis & medicines***.
