

Patient Registration

There are 4 sections:

- 1) *New Patient*
- 2) *Old Patient*
- 3) *Update Patient Record*
- 4) *Admin Section*

- 1) **New Patient:** This is used for patient registration. After registration patient will get a Registration Number like **"2019SHD46"**. This will be the unique number for patient. After patient got registration number, whenever patient will come to hospital, it will help to track patient record.
